AVINASH MISHRA

MULTIDISCIPLINARY PROFESSIONAL | BRAND & MARKETING | COMMUNICATION | CONTENT | DIGITAL LEARNING

India | +91-8905056633 | avimishra890@gmail.com | linkedin.com/in/avinashmishraa/

PROFESSIONAL SUMMARY

Multidisciplinary marketing, communication, content, and creative professional with 10+ years of experience across BFSI, e-commerce, news media, and devotional television post-production. Combines hands-on execution with a self-directed learning mindset across branding, digital marketing, corporate communication, public relations, content development, video production, graphic design, e-learning, and AI-assisted digital creation. Known for learning tools independently when business needs arise, taking projects from initial setup through execution, and reducing reliance on external support for early-stage work. Also brings practical experience with basic network setup and foundational knowledge of routing, switching, and IP management.

CORE SKILLS

Brand & Marketing: Branding; marketing strategy; digital marketing; campaign planning; audience engagement

Corporate Communication & PR: Corporate communications; public relations; media relations; stakeholder coordination; messaging

Content & Editorial: Content writing; content development; editorial planning; scripts; long-form and short-form content; content repurposing

Creative Production: Video creation; video editing; graphic design; visual storytelling; multimedia production

E-learning & Digital Learning: E-learning course development using Articulate Storyline, Rise 360, and Adobe Captivate

AI & Digital Innovation: AI-assisted content creation; website and app creation; digital prototyping; independent tool learning

Analytics & Digital Platforms: SEO; keyword research; GA4; Looker Studio; WordPress; Adobe Experience Manager; Salesforce; HubSpot; Mailchimp; Hootsuite

Creative Tools: Adobe Photoshop; Adobe Premiere Pro; Adobe InDesign

Technical Fundamentals: Networking fundamentals; practical router and switch setup in a TV production environment; IP management

PROFESSIONAL STRENGTHS

- Self-directed, lifelong learner who learns new tools and workflows independently when business needs arise.
- Can take early-stage work from setup to first execution, reducing the need for outside support and helping control initial project costs.
- Adaptable across creative, communication, digital learning, and basic technical tasks; learns by doing and solving practical problems.
- Examples include independently learning video editing and Photoshop when required, and learning router/switch setup while working in a TV production control room.

PROFESSIONAL EXPERIENCE

Tata Consultancy Services (TCS) | Content Marketing & Communication Manager

Mar 2019 – Present

- Supported content marketing and communication initiatives across planning, production, distribution, and optimization.
- Contributed to reported organic traffic growth of 53%+.
- Supported campaigns associated with 30–40% improvement in campaign ROI across annual budgets exceeding ₹3 crore.
- Contributed to a 25% conversion improvement and a 30% reduction in cost per acquisition (CPA).
- Collaborated with stakeholders, agencies, and cross-functional teams; used analytics dashboards to monitor performance.

Sanskruti TV | Content Operations & Marketing Lead

May 2016 – Mar 2019

- Led a 10-member team across content operations and marketing workflows.
- Contributed to audience engagement growth of 50%+.
- Improved operational efficiency by 30% and maintained 100% on-time delivery.
- Learned practical router and switch configuration in the production-control-room environment when technical support was unavailable, helping handle basic connectivity needs.

Hamari Mahek | City Reporter

Feb 2015 – Mar 2016

- Reported local news and developed editorial content for publication.

SareesBazaar.com | Content Writer & Marketing Executive

Jan 2014 – Feb 2015

- Created and optimized e-commerce content to support organic search visibility and customer engagement.
- Helped achieve first-page search rankings for 50+ keywords.
- Contributed to improvements in e-commerce conversion volume.

INDEPENDENT DIGITAL PROJECTS

- Created a YouTube channel and later sold it after evaluating the resources and investment required to scale it further.
- Created websites, apps, and digital content using AI-assisted tools. Add project names or links to demonstrate the work.
- Developed e-learning content using Articulate Storyline, Rise 360, and Adobe Captivate.
